

# E, F & GT Register – Whittaker Car Collection

## E, F & GT Register

*E,F & GT Register meet bi-monthly or as advised.*

John and Robyn Whittacker invited the E, F & GT Register to view their car collection at their farm near Hahndorf. John has an impressive collection of German as well as a few English vehicles.

He also has a well-equipped workshop that he showed us. We enjoyed morning tea in their spacious entertaining room and after viewing the car collection, we drove to Mt Barker for lunch at the Oak & Iron Tavern, adjacent to Auchendarroch House.

Both the viewing of the car collection and the lunch were an outstanding success, and it was good to once again have a well-attended gathering.
