

Joe Agresta (Jaguar XJC)

I have not previously been a member of a club. However, I crossed paths with Phil Prior, and after seeing his coupe, that was it for me. I bought one soon after.

I am now the proud owner of a 1977 yellow gold XJC 6 cylinder 4.2. The only other classic I have owned is 1977

Triumph Stag which I enjoyed for a few years.

I have had a soft spot for Jags since I went for a ride in a XJ12 Series 1. It was the best ride I have ever had, I remember it just glided down the road.

Now I have my own Jaguar which I'm restoring slowly. I hope to catch up as we go along personally or electronically.

Kind Regards
Joe
